NEWS

Dr. Prabhuram Choudhary, Health Minister, made a virtual call to the CHO from HWC Patnabujurg in Sagar district. A virtual tour of the HWC was made by the CHO and then he asked about the types of services and tests provided. He spoke with the ANM about the vaccination and with the patient about the services getting delivered. He asked that the CHO ensure the availability of medicines. Overall, he praised the team's efforts and work.

HEALTH DAY WORLD BREASTFEEDING WEEK

To commemorate World Breastfeeding Week, Community Health Officers conducted a village-wide awareness campaign. Based on the theme, the week was designed to address the societal barriers and challenges that prevent successful breastfeeding practices.

Counselling Women during VHND on Breastfeeding Week, Anuppur

Nukkad Natak by Medical college students On World Breastfeeding Week

Following the technical assistance provided by the CInI team, the CHOs met with the ANMs and ASHAs and countered the important facts about breastfeeding and community engagement. The school conducted Nukkad Natak to raise awareness, and VHND was aimed at women to encourage them to exclusively breastfeed infants under the age of two. The team also engaged in community engagement and group discussions by counselling families and informing them about self-screening.

ACHIEVEMENT

APPRECIATION ON INDEPENDENCE DAY

On Independence Day, the CINI team and their work were recognised throughout the districts. The CHOs of the KAYAKALP winners HWCs have been awarded for their outstanding performances. 130 HWCs and 18 UPHCs were awarded Kayakalp certification in FY 22-23, of which 21 HWCs and 02 UPHCs emerged as winners. The dedication and tireless efforts were praised for going through a journey of Model Centres and now strengthening them for NQAS which has come a long way. Overall the role of the entire team was acknowledged in driving the support.

Appreciation to Dr Rajshree Gupta (CPHC Consultant) from the district for her continuous support in Anuppur

Recognition of CHO in Damoh.

Awareness through rangoli on breastfeeding week during VHND, Damoh.

Recognition of CHOs of Kayakalp winners on Independence Day in Shahdol.

Health is the foundation upon which we build the masterpiece of our lives, and its uniqueness lies in the choices we make to nurture it
